Inspections outside of normal business hours (minimum charge is 1/2 hour):	\$48.00 per hour
Re-inspection fee (minimum charge is one hour)	\$48.00 per hour

MULTIPLIERS FOR VALUATION OF WORK:

Services 600 volts or less:

Single-phase services (including temporary)	\$6.00 per amp
Three-phase services, (including temporary)	\$15.00 per amp
Sub-panels single-phase	\$5.00 per amp
Sub-panels three-phase	\$10.00 per amp

Services over 600 volts:

Single-phase	\$1,000.00 per amp
Three-phase	\$1,500.00 per amp
Sub-panels single-phase	\$7.50 per amp
Sub-panels three-phase	\$1,000.00 per amp

Transformers:

When it's an integral part of the consumer's distribution system, valuations shall be computed by the following table:

½ KVA and above	\$50.00 per KVA or fraction thereof
-----------------------	-------------------------------------

Rough openings (outlets, switches, fixture openings):

Residential dwelling unit	\$45.00 per opening
Industrial/Commercial	\$75.00 per opening

Motors – fractional and above: \$30.00 per hp or fraction thereof

Generators – 1 KVA and above: \$50.00 per KVA

Electrical signs – valued between:

0 – 20 amp load	\$500.00
21 – 30 amp load	\$750.00
31 – 50 amp load.....	\$1,000.00
51 – 100 amp load	\$1,250.00
101 amp load and above is an additional 10% for every 20 amps or fraction thereof	

Alarms:

Residential base value	\$250.00 plus \$30.00 per opening
Commercial base value	\$400.00 plus \$45.00 per opening

Communication Systems:

Residential base value	\$300.00 plus \$30.00 per opening
Commercial base value	\$350.00 plus \$50.00 per opening

Hazardous locations:

Valuation for all wiring in hazardous locations, as defined in the National Electrical Code, shall be at double appropriate valuation for standard installations.

Exterior underground feeders, branch circuits, and conduit longer than 25 feet:

Residential size #12 through #6	\$10.00 per lineal foot
Above size #6	\$15.00 per lineal foot

NOTE: AFTER CALCULATING THE MULTIPLIERS TO OBTAIN TOTAL VALUATION OF THE ELECTRICAL INSTALLATION, REFER BACK TO THE BUILDING PERMIT FEE SCHEDULE FOR THE TOTAL ELECTRICAL PERMIT FEE.
